

Passionate about Corian®

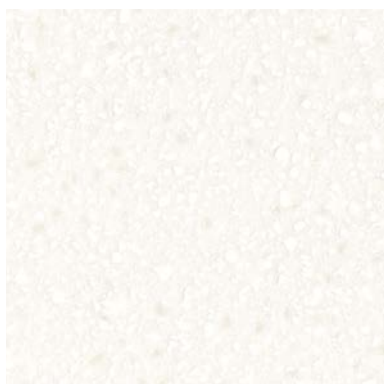

Corian[®] Solid Surface

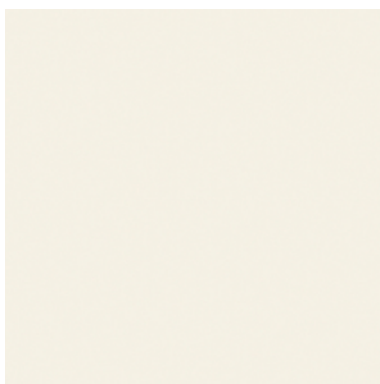

Corian[®] Solid Surface is een innovatief product dat bekend staat om zijn **naadloze verlijmingsmogelijkheden**.

Deze panelen worden samengevoegd zonder zichtbare naden, wat resulteert in een **uniform & strak eindresultaat**.

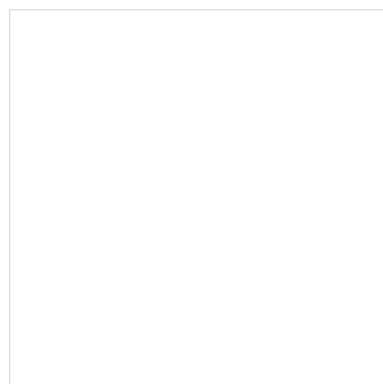

De veelzijdigheid van Corian[®] maakt het geschikt voor diverse toepassingen. De **flexibiliteit in bewerking** opent de deur naar talloze creatieve mogelijkheden, of het nu gaat om golvende, naadloze, organische vormen of opvallende visuele effecten.
