

Passionate about Resopal

Laminaten van Resopal zijn **schok- en krasbestendig**. Ze kunnen **gemakkelijk gereinigd** worden en bieden **antibacteriële bescherming**. Bovendien zijn de panelen beschikbaar in ontelbare decors en zijn ze verkrijgbaar in een 15-tal verschillende structuren. .

Gevormd uit diverse lagen papier, doordrenkt met fenol en melamineharsen, wordt Resopal HPL onder hoge druk en temperaturen tot een decoratief laminaat geperst. Ze kunnen worden **aangebracht op diverse ondergronden**, zoals spaanplaat, MDF of multiplex. Daarnaast biedt Resopal ook hun laminaten aan in een compact variant.
